Sheffield Don Valley Stadium

Friday 10th & Saturday 11th July 2009

Live Sky TV

Following the success of last two year's live broadcast on Sky TV, this year Saturday's events will be broadcast live for 5 hours in the afternoon - an hour longer than last year and over twice as long as in 2007. This year we're planning on having a big screen TV display on site again so you can see what is being broadcast live.
